The Kindergarten kids entered the school campus with excitement and anticipation. The entire school was decorated with colorful balloons, ribbons, and creative bulletin boards, creating a joyful atmosphere. The teachers accompanied the children to their classrooms, making them feel special and valued. Cartoon character puppets surprised the kids, bringing smiles and sparking their imagination. Art and craft activities engaged the children's creativity and curiosity. A “tilak” ceremony was conducted by the teachers to welcome the children formally. Warm-up exercises, action songs, and dances energized and entertained the kids. The puppet dances brought laughter and joy to the event. Overall, the welcome ceremony created a positive and encouraging atmosphere, fostering a love for learning and leaving lasting memories.
The kindergarten students of DPS Patiala celebrated Baisakhi on April 13, 2023, with great enthusiasm. Thoughtfully planned activities were conducted to familiarize the students with this harvest festival and its cultural significance. The children in KG 1 participated in rhymes and songs related to Baisakhi and created beautiful Dhol cutouts using wheat strands. The students, along with their teachers, learned about the festival and its importance. They joyfully matched their steps to the energetic rhythms of Baisakhi. The celebration provided a wonderful opportunity for the students to appreciate and understand the cultural significance of Baisakhi, fostering a deeper connection to their traditions and heritage.

Learning the Table Etiquette
Delhi Public School organized a talk session on table manners to educate students on dining table etiquette and manners. The session included storytelling, allowing students to share their experiences and perspectives on social gatherings. Students learned about various cutlery types, correct posture, using a napkin, serving food, excusing oneself, and complimenting the cook. This comprehensive approach improved students' table manners knowledge and fostered their social and self-management skills. The session was a successful endeavor, providing a valuable learning experience that will benefit students in social settings and personal development.
Visits & Outings!

Walking through the Green Woods!

DPS Patiala organized a 'Nature Walk' for Kindergarten students on April 28, 2023, at the Environment Park. The outing aimed to provide exploration and learning opportunities in nature. Park committee members and teachers encouraged the children to observe plants, insects, flowers, twigs, and dried leaves, while also engaging their senses by noticing textures, colors, and sounds. The students thoroughly enjoyed the experience and had a memorable day connecting with nature.

Learning the Postal System

DPS Patiala arranged an educational excursion for Kindergarten students to the Post Office. Accompanied by teachers, the students went on a bus journey and were warmly welcomed by a cheerful employee who guided them during the visit. They explored the 'Stamps' section, where they learned about different stamps and even discovered they could have a personalized stamp. They also visited the counters for public services to understand how to buy stamps and letters. In the 'Sorting' section, they observed the process of delivering letters and parcels, and had the opportunity to interact with a postman who patiently answered their questions. The students thoroughly enjoyed this trip, gaining valuable insights into the significance of Postal services as a traditional yet essential means of communication.
The Kindergarten wing of the school organized a workshop on April 21, 2023, focusing on 'Good Touch Bad Touch' within the school premises. Led by the School Counselor, Ms. Sonali, the workshop aimed to raise awareness among children about appropriate and inappropriate physical contact, considering the prevalent issues of child abuse and molestation in society. The workshop sensitized and empowered the children by providing information on identifying potentially dangerous situations.

Kindergarten Workshop

Gratitude Day!

To commemorate Gratitude Day, kindergarten students and teachers enthusiastically participated in a Special Morning Assembly on the 1st of May 2023. They expressed gratitude towards the beloved nannies and other workers who play a crucial role in ensuring the smooth functioning and cleanliness of the institution. The students honored the Support Staff. A lively musical chair activity was organized, in which all the nannies enthusiastically took part. Their smiling faces and joyful participation touched the hearts of everyone present, creating a warm and positive atmosphere.

The Kindergarten wing organized an Intra-Class Rhyme Recitation event to cultivate a love for poetry among the students. It provided them with an opportunity to appreciate the beauty of expression, thoughts, emotions, rhyme, rhythm, and the musicality of words. The main goal was to nurture self-confidence, improve oratory skills, and foster self-expression.

Outstanding participants were praised for their abilities. The competition inspired children to step forward and recite their chosen poems on stage with enthusiasm and zeal. Such competitions help students overcome stage fright, boost their confidence, and contribute to their overall personality development.
DPS Patiala's Kindergarten wing organized a special celebration to honor mothers on May 20, 2023. The event included a lively pool party, cultural program, and fun games. Mothers of the kindergarten students were warmly welcomed by the school staff.

The children performed enthusiastic dance routines to express gratitude for their mothers’ unconditional love. Both mothers and students had a splendid time participating in enjoyable activities like ball grabbing, musical chairs, and tambola. The pool party for mothers was a great success, with various water games adding to the fun. Winners received gifts as tokens of appreciation.

Team DPS Patiala expressed gratitude to the mothers for their valuable time and made the event a success. This celebration showcased the love and appreciation for mothers, creating cherished memories for all involved.

Frozen Treats to beat the heat!

On May 31st, the thrilled Kindergartners had the opportunity to indulge in an Ice Cream Party organized exclusively for them. The campus ice cream vendors delighted the excited children with a wide variety of flavors, offering them the ultimate summer treat that fulfilled their every craving.
Glimpses of the Kid's World
